## Spirit of The Game

- No sledging – sledging is “anything negative said on a field which a player hears”. The association will suspend players for sledging.
- Discuss any possible issues with the opposition coach/manager before the start of the game.
- Disputes with opposition teams – Act reasonably and try to sort it out.
  - Deal with game day disagreements on the day
  - Report to AGC and Junior President
- Benefit of the doubt rests with batsman: LBW, catches, run outs, stumpings etc
- Every participant is responsible for ensuring the game experience for everyone involved is positive, welcoming and enjoyable.
