CNCC CODE OF CONDUCT – PARENTS CODE OF BEHAVIOUR

Some of the greatest role models we have in our cricketing community are our parents. When assisting and supporting at your club's games please keep in mind this code of conduct and the expectations set out below:

- Do not force an unwilling child to participate in cricket.
- Remember, children are involved in cricket for their enjoyment, not yours.
- Winning is not everything, particularly in junior cricket. The enjoyment and development of players carries primacy.
- Encourage your child to play by the rules.
- Focus on the child's efforts and endeavour rather than winning or losing.
- Never ridicule or yell at a child for making a mistake or losing a game.
- Remember that children learn best by example. Be that good example by the way that you conduct yourself.
- Appreciate good performances and skilful play by all participants.
- Support all efforts to remove verbal and physical abuse from sporting activities.
- Respect officials' decisions and teach children to do likewise.
- Show appreciation for volunteer coaches, officials and administrators. Without them, your child could not participate.
- Respect the rights, dignity and worth of every person regardless of their gender, ability, cultural background or religion.
- Enjoy the involvement of your children in this great game.
