CNCC CODE OF CONDUCT – PLAYERS CODE OF BEHAVIOUR

Players have a responsibility to uphold the integrity and spirit of the game whilst they are training, competing on the playing field or representing their club away from the field of play. Please refer to the players code of behaviour below:

- Play by the rules.
- Never argue with an umpire. If you disagree with a decision, have your captain, coach or manager approach the umpire in an appropriate manner during a break or after the game to seek clarification of the decision if required. Recognise that umpires are human and like all of us, can make mistakes.
- Control your temper. Verbal abuse of officials and sledging other players, deliberately distracting or provoking an opponent are not acceptable or permitted behaviours in cricket.
- Work equally hard for yourself and your teammates. Your team's performance will benefit and so will you.
- Be a good sport. Applaud all good play whether they are made by your team or the opposition.
- Treat all participants in cricket as you like to be treated. Do not bully or take unfair advantage of another competitor.
- Cooperate with your coach, teammates and opponents. Without them there would be no competition.
- Participate for your own enjoyment and benefit, not just to please parents, teachers or coaches.
- Respect the rights, dignity and worth of every person regardless of their gender, ability, cultural background or religion.
- Uphold the concept of "taking a beat". Temperamental displays are selfish and have the potential to adversely impact on you, your team and the club. Such behaviour is contrary to the spirit of the game. If you are unhappy with a decision, take a second to think how such behaviour can have an adverse impact on you and others and then accept the decision that has been made. Remember, loss of self-control doesn't make things better and if you do react badly, you still remain in the same position you were in before losing your temper and that there may be ramifications for your actions.
